More Info on Cortina:

Current lift ticket prices in dollars based on current conversion

Price for a 5 day pass (if you are going to ski Cortina area mostly, by a 3 or 4 day pass and then purchase day passes)

Cortina area includes 3 runs reached by cable car and then ski down into valley. On mountain food is exceptional. Areas are from beginner to expert, with both on and off piste skiing.

Superski (all over Dolomites) Cortina area (where most ski)

Adult	252	186
Junior	177	131
Senior (60)	127	168

Available Side Trips - approximately \$60 per person per trip

Sella Ronda all day quest skiing from 9am to 3pm – interm.

Kronplatz High altitude skiing into 12 different villages

Venice bus trip into Venice

Innsbruck bus trip to Austria with Swarovski Crystal Factory

Winery tour Visit a small monastery and enjoy wine tastings

Weather – daytime temps are around 30 with nights going to teens.

Normally sunny every day with great grooming. Over 90% of area has snow making. About 500 lifts throughout Dolomites.

Area is the home of Italy’s Rich and Famous. Afternoon attire is casual, with sport clothes for dinner (no jeans, no Tshirts, etc).

Apres ski centers around the “Corso d’Italia”, a pedestrian street. The hotel is at one end of the Corso, and the afternoon is known as the “passagiamento” – the Passage, with skiers, families, and a lot of the “beautiful people”.
